Subject: FOIA Request: EPA-R10-2013-001816

Hello Ms Zajac:

I have your FOIA request for documents submitted to EPA by Linde Group and/or The BOC Group. We have 17 documents under AIRCO/BOC which were used for research as to where to send the 104(e) request. Under Linde we have an additional 73 releasable documents responding to the request under CERCLA for 104(e).

The total cost would be \$29.00 for search & review and the cost of the disc to send the documents on.

Please reply with an assurance of payment and if you would like all of the above listed documents or just the Linde documents.
